

# Happy Fall!!

Hello,  
If you are new to Create a Homeschool Life  
WELCOME!!

If you are returning for more goodies, WELCOME  
BACK!!

One of the things I love about homeschooling is  
all the yummy goodness I've had the  
opportunity to squeeze out of each season.  
Fall is a favorite.

I pray you will enjoy this resource and enjoy  
some of that yummy goodness yourself.

Warm and cozy hugs!

# How to Play Don't Eat Pete

1

Place one piece of candy on each pumpkin.

2

Send one player out of the room (or *simply have them close their eyes*) while the rest of the group chooses one of the pumpkins on the game board to be "Pete."

3

When the player returns, he eats the candies one at a time; but the minute he touches the candy on "Pete," the rest of the group yells, "DON'T EAT PETE!!" And that's it! That's the end of their turn.

4

Refill the game board for the next player and continue until all have had a turn.

For this game you will need:  
the Don't Eat Pete Pumpkin Printable  
plenty of small candies (M&M's, Skittles, fruit snacks, cereal, etc.)
